FOR THE THELEMITES

ROSE AND ALEISTER CROWLEY'S STAY IN EGYPT IN 1904

A STUDY OF THE CAIRO WORKING
AND WHAT IT LED TO

BY
PERDURABO ST

FRATER PERDURABO, to whom this revelation was made with so many signs and wonders, was himself unconvinced. He struggled against it for years. Not until the completion of His own initiation at the end of 1909 did He understand how perfectly He was bound to carry out this work. (Indeed, it was not until his word became conterminous with Himself and His Universe that all alien ideas lost their meaning for him). Again and again He turned away from it, took it up for a few days or hours, then laid it aside. He even attempted to destroy its value, to nullify the result. Again and again the unsleeping might of the Watchers drove Him back to the work; and it was at the very moment when He thought Himself to have escaped that He found Himself fixed for ever with no possibility of again turning aside for the fraction of a second from the path.

The history of this must one day be told by a more vivid voice. Properly considered, it is a history of continuous miracle.

THE EQUINOX OF THE GODS, 1936 E.V.

CHAPTER 24 ☉ Sun's Track

I have already given an account of the motto and magical name of Perdurabo.⁴⁸⁹⁰ It is now proper to reveal that this motto in a special way originated with the Master the Lion, and that it has been ever since with ANKH-AF-NA-KHONSU; TO MEΓA ΘHPION, and now with me, PERDURABO ST. I shall comment thereupon by saying that the Master the Lion discovered the Law of Will while running in the Sun's Track! Ankh-af-na-khonsu also ran in the Sun's Track in his days preparing for the time of the Equinox of the Gods and the Seat of Hoor – the giving of the Law of θελημα. Perdurabo started running in the Sun's Track when the Equinox of the Gods was announced in 1904 E.V., and he delivered the Law, its Word & Book, to the whole planet! Perdurabo came forth at Dawn running on his way towards the End, preparing himself for the Great Sunset found within the words ST! And thus came also one day the running one known as PERDURABO ST, 'I will endure unto the end – hist!'. The "ST" added to PERDURABO demands silence! Its meaning in Latin is hist! or hush!, and it is referring to a certain work which shall be accomplished in silence! Let me call to mind the explanation of the name "PERDURABO" as given by Perdurabo in *Liber CCCXXXIII* where he after naming the "Dinosaurs" that preceded him says:

*But the Seventh men called PERDURABO; for enduring unto The End, at The End was Naught to endure. Amen.*⁴⁸⁹¹

A note explains the last as: "O, the last letter of Perdurabo, is Naught."⁴⁸⁹²

The eleven letters of PERDURABO ST are also the initials of eleven words:

P(ower) **E**(ver) **R**(unning) – **D**(eath) **U**(nfolding) **R**(einvigoration) **A**(lways) **B**(eing) **O**(men):
S(un's) **T**(rack)

However, they are only the shadow of its true meaning. But other words comment on it. In Hebrew, for instance, we find the word רץ, rats, meaning 'runner'. This word recalls the path of The Sun (ר) together with the path which not is The Star (ץ). The 'running' is hidden in the word רצון, ratson, meaning 'will' or 'desire', and as seen so does its last letter belong to the path of Death!

Now there is only to say that Edward Alexander Crowley made a most fortunate and prophetic choice taking for a motto "PERDURABO", which brought him back on the Sun's Track that contains the CORE of every mystery pertaining to man! Upon this glorious path which also is a path of the utmost darkness, is found the hiding of hidings & the sun of midnight who is ever the son!

For the Thelemites

In truth, the dead man Ankh-af-na-khonsu, came forth by day and did his will all upon the round Earth among the living!

The word of the Law is θελημα.
Do what thou wilt shall be the whole of the Law.

The Prophet of the Lovely Star running in the Sun's Track.
